Ventilation Fans

PCLPD100XHP

PCLPD100XHP LOW PROFILE CEILING OR WALL MOUNTED EXHAUST FAN WITH DC MOTOR

S&P's Premium Choice Series Bathroom/Exhaust Fan model PCLPD100XHP is built for today's demanding requirements featuring seamless Plug-&-Play integration and a redesigned blower for a quiet, energy efficient performance. The PCLPD100XHP also features an ultra-low profile that allows easy installation into a wall, eliminating the need for a radiation damper to meet fire-resistance requirements in building code.

KEY FEATURES

- Ultra-Low Profile Design to fit in the smallest wall cavities
- Ultra-Quiet Operation as low as 0.6 sones
- DC Motor for high efficiency with auto-flow technology
- Built-in Humidity Sensing and Continuous low speed capability
